# The Street Sweeper

This May Be Your Last  
Opportunity To Get  
Street Sweeper Parts

With

Call For Pricing!

NO RESTRICTIONS!!!!!!

WARNING • WARNING • WARNING • WARNING • WARNING • WARNING • WARNING • WARNING •

The Federal Government (BATF) has ruled the the 12 gauge Street Sweeper Shotgun is a "NON-SPORTING" firearm. With the bore of this shotgun being over 1/2 inch (.50 caliber) in diameter. It is now re-classified as a "destructive device". Due to this re-classification, all Street Sweeper Shotguns are now NFA type weapons and are subject to licensing, taxation, and control under NFA Rules. If you currently own a Street Sweeper Shotgun, the BATF will let you register and keep your shotgun with no tax assessment. However, if you live in a state that does not permit private ownership of "destructive devices", you will have to surrender

ownership of your shotgun.

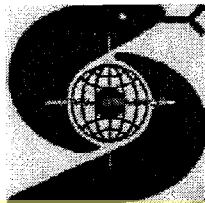

For Further Information regarding this reclassification, please contact your local or regional office.

#802-100 \$33.45 Each 10 Kits or more \$26.95 Each

## Build Your Own .410 Shotgun

No Federal permits required for assembly. However, always check your state and state laws prior to assembly. Felons and persons with criminal records may not assemble firearms. Finished Gun CANNOT be sold except by Licensed Manufacturer.

WARNING:  
It is illegal to install this stock on pistol with short barrel!

All sheet metal parts in this kit are stamped from the highest quality 11 gauge steel. Custom stock holds three spare .410 shells

Similar in design to the Derringer Pistol except this KIT is the shotgun version. Part numbers 18-20 (stock & forend, shotgun barrel, and forend screw). ALL you need to complete your .410 shotgun is the breech face and side plates (not included) which can be cut out of 11 gauge sheet metal.

Get individual part numbers on page 6

fantastic results on several other guns

# BAIXARDOC

## TEC-9 & TEC-22 Barrel Extensions

Shown on the TEC-9

# 749-600 \$26.45

Cobray manufactured specifically for the TEC-9. The black oxide finish matches your gun perfectly. The TEC-9 barrel extension is 6 1/2" long and gives you something extra to hold on too. The "all machine stamped holes" allows for cooling and long term grip.

Shown on the TEC-22

# 748-600 \$26.45

COBRAY MANUFACTURED! Comes with the famous COBRAY black oxide finish and the "all machine stamped holes" allows for cooling and long term grip.. The TEC-22 barrel extension gives you something extra to hold on too.
